

Missionary Aviation In Alaska

Why Alaska needs the Gospel

- Suicide accounts for 2/3 of violent deaths
- Fetal Alcohol Syndrome is twice as high
- Many villages don't have a church
- Support pastors : Average burnout- 7 Years

Why Missionary Aviation?

- 80% of Alaska is not accessible by roads
- Alaska is 2.5 times the size of Texas
- Able to connect communities to the Gospel
- Limited access to building materials

Our Role

- Business manager for MARC
- Lead teams in marketing, admin and donors
- Grow MARC's operational foundation
- Grow financial stability of MARC

Giving Wings to Alaskan Missions

Want to love others and spread the Gospel?

Living on the East Coast, Rachel and I didn't think we would be missionaries to Alaska. But God is funny like that. Looking back over the last 10 years, we can now see how he has prepared us through our business, church and community. Do you want to connect with us? Do you want to be a part of God using Rachel and I to love and serve MARC, Native Alaskans, and our community there? We are excited to begin this journey!

How you can join us

1

Pray

Pray for our ministry in Alaska

- Adam's role with MARC
- Rachel and kid's transition

2

Connect / Give

Give to support our family
(See back for details)

3

Touch Lives of Native Alaskans

Spread Gospel
Positive impact on
suicide and sexual abuse

The Organization

Missionary Aviation Repair Center (MARC) was formed in 1964 with the goal of servicing and training missionary pilots in Alaska as they minister to the remote villages. MARC continues that mission through providing aircraft maintenance, flight school, and a fleet of 5 aircrafts. There are 10 pilots, 5 mechanics, and soon to be 3 support staff!

Meet Your Missionaries

We are the Hadleys. We met at Grove City College. I, Adam, came to a saving faith in Christ at the age of 16 after church and Rachel when she was 9 at High Point Baptist Camp. My love of aviation started in 2003 when I attended an aviation camp where I learned to fly for 3 summers. We have 3 kids, Lucy, Jack and Oliver and we love coffee, cooking and loving others.

Rachel and I started and grew a senior home maintenance company and lawn care business for 8 years. Through it, we learned how to love and serve not only our customers, but also our employees and community.

What Prepared us for Alaska:

- 8 years serving seniors and employees through our business
- 8 years opening our home and hearts up to our church and community
- Passion for missionary aviation for 18 years

“What others say”

“Adam, what you did (resided shed), it blessed me and encouraged my wife and kids. Later I told my girls that’s what Christianity looks like.”

-Pastor Chris

“Thank you Rachel for all you and Adam do, we are so grateful for community and family at your home.”

-Katie

“Adam is both reliable and dependable; always conscientious.”

-Customer

Our Goals

- 1 100 Prayer Partners
- 2 Raise \$7,500 of monthly commitments for living expenses
- 3 Fully funded by April 2023
- 4 Move to Alaska in May 2023
